To: Members of the Coyote Valley Specific Plan (CVSP) Task Force

From: Peter Kutras, Jr., County Executive

I'm writing to express concern over the Task Force Agenda for tonight. The County is in the process of preparing extensive comments to the CVSP EIR. If refinements to the CVSP are made tonight, the CEQA process will be distorted.

Any refinements to the Specific Plan should be made as a result of comments received at the conclusion of the comment period. A revised EIR should then be re-circulated.

Thank you for your consideration.
